EXPERIENCE

HACK WITH INDIA | PUBLICITY INTERN

OCT 2024 – JAN 2025 | Virtual

- Helped design and schedule posts for social media platforms to engage with the Hack with India community. Collaborated with the marketing team to create visually appealing promotional materials. Increased event visibility through outreach on social media, email campaigns, and student networks.

INFINITY LEARN | DOUBT SOLVING SME INTERN

JUNE 2024 – JULY 2024 | Virtual

- Assisted students with their queries, providing clear and effective solutions.

GSSOC'24 CONTRIBUTOR | OPEN SOURCE PROJECT

CONTRIBUTOR

SEP 2024 – OCT 2024 | Virtual

- Selected as a contributor for one of the India's largest open-source coding program.
- Collaborated with developers and mentors to contribute to real-world open-source projects.

GDG WEBDEV MENTEE | MENTEE

SEP 2024 – JAN 2025 | Virtual

- Program by IGDTUW GDG chapter aimed to teach students Web Development.

PROJECTS

SANKALP |—INFRONIX HACKATHON

FEB 2025 | IIITD

- SANKALP:** Developed a web-based hospital dashboard using Flask, SQLite, JavaScript, and HTML/CSS to efficiently manage and update hospital resources in real-time. Integrated an automated and manual hospital data retrieval system with an update feature for beds, oxygen levels, and ventilators. Using Twilio created an alert notification system directly on the hospital's dashboard and to the vendor when the hospital is low on equipment. Implemented RESTful APIs for seamless data fetching and updating, ensuring a responsive and user-friendly experience.

EQUIBOND | BRAINWARE HACKATHON

oct 2024 | DTU

- EquiBond:** It aims to create a decentralized platform that prioritizes privacy while securely connecting developers, startups and researchers to showcase projects funded through Social Impact Bonds (SIBs). A chatbot feature will help users navigate the platform, answer questions, and gather feedback, all while maintaining user privacy and improving engagement. We used HTML, CSS, JavaScript, API, and Figma.

EDUCATION

INDIRA GANDHI DELHI TECHNICAL UNIVERSITY FOR WOMEN

B.TECH IN ELECTRONICS AND COMMUNICATION WITH ARTIFICIAL INTELLIGENCE

2024 - 2028 | Kashmere Gate

SALWAN PUBLIC SCHOOL

SENIOR SECONDARY (XII), CBSE

2023-2024| OLD RAJENDRA NAGAR

percentage: 75

GYAN DEVI SALWAN PUBLIC SCHOOL

SENIOR SECONDARY (X), CBSE

2010-2023| OLD RAJENDRA NAGAR

percentage: 89

SKILLS

PROGRAMMING

Python • C

Javascript • CSS • HTML

EDITING

Adobe Photoshop • Canva • Figma

UI-UX Design

TECHNOLOGY
